AL BAYAN ACADEMY 2026 – 2027 Tuition Rates & Fees Policy

By registering your child for the academic school year, you agree to assume full responsibility for the payment of all tuition and fees for the entire academic year. Tuition refunds or the cancellation of future tuition installment obligations may be considered only in cases of extenuating circumstances and must be requested in writing. Such requests are subject to review and approval by the Board of Trustees of AL BAYAN ACADEMY.

Unless explicitly approved by the Board of Trustees, families are financially responsible for the **full annual tuition**, even if a student does not complete the academic year. This policy is necessary for the effective operation of AL BAYAN ACADEMY, as enrollment commitments are used to plan the Academy's budget and to enter into contractual agreements with faculty and staff.

Tuition and related fees apply to the **entire academic year** and are not adjusted for student absences, school breaks, illness, weather-related closures, or participation in programs outside the school. All payments must be made on time; failure to meet payment deadlines or misuse of the tuition system may result in the student's dismissal from AL BAYAN ACADEMY.
